mean "Specific" items of work to be done according to the instructions of the Public Works Department with reference to design, calculations, etc., furnished during execution and no higher rates than tendered ones will be paid.

15 The Department does not undertake the responsibility to supply lorries to the contractor.

16 Quantities given in the notification and schedule are approximate and are liable to alterations. No extra rates will be allowed for such alterations.

17 The works should not be sublet.

18 The contractor will have to make his own arrangements for water required for the works, scaffolding materials, conveying of materials, approach road to quarries, sand bags and necessary precautions from flood damages. No extra amount will be paid for any of the above items.

1936

Notification dated 24th March 1953.

G.N. No. 51. Sealed tenders will be received in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 24th April 1953, for the supply of the following materials the terms of delivery being f.o.r., Talaguppa :—

AVERY or any other good make of weighing scales of ½ ton capacity.	Nos. 5.

Descriptive literatures of each of the machines you offer, testimonials and the period of guarantee, etc., should be enclosed to your quotation.

The tenders should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rates should be quoted both in figures and words. The earliest period within which delivery would be effected may be specified in the tender.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order as earnest money for the satisfactory execution of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in this department for local purchases.

The tenders should be superscribed as "Tender for the supply of Weighing Scales to be opened on 25th April 1953 at 3 P.M."

1939
